

## Music Appreciation Project:

Create a children's book over **one instrument family**. The book should have 10 -12 pages.

Include the following information:

1. How they produce sound?
2. The history of this instrument family.
3. Pictures and descriptions of the different instruments in each family
4. Name 2 famous musicians that play those instruments
5. Pick one instrument and label the parts
6. Please remember that this is a kid's book. Keep each page simple, with two to three sentences per page.

The project must be in my drop box on Friday.

The project is worth 200 points.

50 - Daily participation/computer work

50 - Creating a book with 10 – 12 pages with pictures

50 - Covering all the above points

50 - Creativity / neatness with the project
